**Weight
Management
Courses**

Congratulations!

You have taken the most important step toward your own, unique healthy lifestyle.

Our **Special Weight-Management Courses** are designed to help you achieve your goals in the most **effective, time-efficient** manner possible. Here's how. Together, we'll incorporate the **3Ps**:

- 1.) **Proper Nutrition**
- 2.) **Productive Training**
- 3.) **Positive Motivation**

Plus, you'll receive a **Personalized Menu Plan** based on your specific characteristics including age, gender, body attributes and goals.

Plus, all courses include:

- **Daily Journal**—Daily tracking log to monitor your own exercise and nutritional intake
- **Reference Manual**—12 Chapters of basic physiology written in lay terms — how your body really works
- **Nutritional Supplements** (optional) for those who wish to take advantage of the benefits of supplementing their nutrition plans.

Most importantly, we have designed several different curriculums. This way you can determine the best course based on your budget, schedule and desired level of fitness.

Let's get started!

4-Week Quick-Start

The **4-Week Quick-Start** is a short fast-track education. It's also one of our most popular courses. It begins with an **initial fitness evaluation**. Based on those results and factors including **stress, eating habits** and **gender**, we develop a **personalized nutrition menu** plan designed just for you. Then, we teach you how to use an exclusive **Food X-Change** list that allows you select all the **foods you love to eat** - yet, stay within your personalized nutrition template. Are you ready to get started?

The 4-Week Quick-Start Course includes:

- 1 - Fitness Evaluation / Personalized Nutrition Plan
- 2 - One-on-one counseling sessions
- 2 - Body-fat / weight ratio - in. measurements
- 1 - Daily Nutrition / Exercise Journal
- 1 - Nutrition & Exercise Reference Manual
- 1 - Starter Pack of Multi-Vitamin / Mineral Formula*
- * Supplements Optional

8-Week Super Course

The **Super Course** is 8-weeks of hands-on fitness service. It begins with an **initial fitness evaluation**. Then, you will meet once each week for 7 weeks with your Fitness Counselor.

During these weekly sessions you will learn about your **metabolism, exercise** and **food relationships**. We'll also monitor your progress and make adjustments as you begin to achieve your fitness or weight-management goals.
